

# Affected by the tragic tornadoes that just hit?

## We hope you are safe

If you need to file a claim or have questions, please contact Union Insurance Group. You can also report claims directly to your insurance carrier.

Should your organization's property need repair or reconstruction work because of the tornadoes' destruction, keep in mind that Union Insurance Group's program customers have the guaranteed right to utilize UNION contractors for covered property claims.

Call Union Insurance Group at [888.200.4545](tel:888.200.4545)

or if you need to reach a specialized catastrophe team, see below for your business insurance company's claims department contact info for immediate, 24/7 assistance.
